CAREER OBJECTIVE

Detail-oriented Software Engineering student at the University of Central Punjab with a strong foundation in Java, Python, and SQL. Eager to apply academic knowledge in a practical environment, with a passion for building clean, efficient software and contributing effectively to collaborative teams.

EDUCATION

BS Software Engineering

Oct 2024 – 2028 (Expected)

University of Central Punjab (UCP), Lahore — Currently in 4th Semester — CGPA: 3.36 / 4.0

- Coursework: Data Structures & Algorithms, Object-Oriented Programming, Database Systems, Programming Fundamentals

TECHNICAL SKILLS

Programming Languages	Python, Java, SQL
Tools & IDEs	IntelliJ IDEA, VS Code, MS Office
Core Concepts	Object-Oriented Programming, Data Structures & Algorithms, Database Management (SQL DDL & DML)

ACADEMIC PROJECTS

Health Share Bridge System

Software Engineering | SRS & UML Documentation

- Authored a complete Software Requirements Specification (SRS) for a medicine donation and distribution platform connecting donors, doctors, and needy patients.
- Defined 18 detailed use cases across four actor roles (Donor, Doctor, Patient, Admin), supported by use case, activity, and sequence diagrams.
- Designed positive and negative test cases to validate core workflows such as registration, medicine verification, approval, and request handling.

Library Management System

SQL | DDL & DML

- Designed and implemented a relational database for a library management system, covering entities such as Books, Members, Staff, and Transactions.
- Wrote SQL DDL scripts to create and constrain tables (primary/foreign keys, data types, constraints) for a normalized schema.
- Used SQL DML statements (INSERT, UPDATE, DELETE, SELECT) to manage book issuance, returns, fines, and member records, including multi-table queries with joins.
- Implemented queries to track book availability, overdue items, and generate simple usage reports.

ACHIEVEMENTS

- Led a team and won the Best Decorator and Management Organizer prize at the KIPS College cultural festival.
- Achieved an A+ grade in both Matriculation and Intermediate examinations.

LANGUAGES

- Urdu — Native
- English — Good command (strong reading, writing, and communication skills)
